### Never Stop Praying

Father Michael, a parish priest in St. Agatha's in St. Louis, was visiting the sick in St. Luke's hospital. Father Michael made it one of his priorities to visit the sick Catholic patients once a month.

One morning as he was making rounds, he knocked on the door of a young lady. "Good morning, Mary, I'm Father Michael, your hospital chaplain and I see from your chart that you are a Catholic". Mary was startled and surprised and answered, "I didn't ask for a priest, and besides that I haven't practiced my faith for many years".

Father Michael smiled and said, "I just came by to say hello and perhaps we can pray." Father Michael closed his eyes and began "Dear God, I know how much you love Mary and how your heart beats with love for her, but she has wandered away, but we all know that if she wants to come home You would welcome her in your arms." As Father said Amen, tears began to flow from her eyes as she then held Father's hand. She made a good confession and received Holy Communion.

That's a beautiful true story, but I can assure you many still refuse God's love even when they are dying. What happens to people who wander away? They stop praying. They don't go to church. They fall into serious sin and try to live their lives without God. They may feel that's the way to live their lives, but it is not the way to die. To never see the face of God, the fruits of heaven, and all your loved ones, is to live in damnation for all eternity, is not a pleasant outlook.

Whatever you do - Never Give up Praying.

Go to church, live your life according to God's commandments, and you will not only be happy in this life, but you will live for all eternity in happiness with God and all your loved ones.

Never Stop Praying!
