THE FAMILY

Saint John Paul II wrote, "The family has a special role to play throughout the life of its members, from birth to death. It is truly the sanctuary of the pace in which life – the gift of God – can be properly welcomed and protected . . . Consequently, the role of the family in building a culture of life is decisive and irreplaceable. As the domestic church, the family is summoned to proclaim, celebrate, and serve the Gospel of life."

God so loved the family that He began His mission to redeem the world by becoming a member of a family. His mother, Mary, raised Him from infancy. She fed and washed Him, she played with Him and took care of His every need. When Jesus was dying on the cross, He looked at His mother who was crying and He tried to console her by looking into her eyes. Jesus loved his Father and Mother – they were His family.

Let me tell you the true story of a living family – Jozef and Wiktoria Ulma lived in Markowa, Poland. They had seven children and one on the way. It was 1944, and the Second World War was raging. Unfortunately, Jozef and Wiktoria, along with their seven children (one still in the womb) were executed by the Nazis in 1944 for hiding Jews in their home during the Holocaust.

Their Beatification in 2023 is historic: The Ulmas are the first to be beatified as a family, and they included the first unborn child to be Beatified.

The Ulma Family lived and died for the love of God. They were a happy family waiting for their new baby to be born. It would be no surprise to me that the Ulmas have eight children enjoying the fruits of heaven. After all, nothing is impossible with God!
