Dear Brothers and Sisters,

As we continue to deal with a worldwide pandemic and the greatest economic crisis since the Great Depression, we need more than ever that peace that was Jesus' Easter gift to his disciples—a peace that comes from experiencing his mercy. God's mercy opens our horizons and gives us true freedom. It provides us with a future—a future made possible because God's grace is more powerful than our disgrace. Jesus in suffering, dying and rising again broke the chains of death and in doing so opened the doors to hope. Jesus is the human face of God and the divine face of Man, in Him is our hope.

We too are called to witness to that hope. We do this by loving as Jesus himself has loved us. Jesus gives us his Holy Spirit who teaches us a new language. It is the language of love.

Now is the time for mercy. If love is the language that the Christian speaks, the language that defeats the Babel of confusion, conflict and suspicion, that language also has a grammar. To speak a language well, to be understood and to understand a language, you need to master the grammar. People can speak ungrammatically but they're not always well understood; misunderstandings occur, etc. Love has a grammar and the grammar of love is mercy.

Now is the time of mercy, to learn the grammar of love through the corporal and spiritual works of mercy, to learn the grammar of love by forgiving and offering forgiveness. Mercy makes hope possible.

It is my hope that you are able to continue your weekly offertory support through the use of online giving on your parish website or through this Universal Online Offertory Page. These funds are critical for the continued operation and ministerial work of your parish. I understand that many of you may not be able to contribute given the economic impact this pandemic is having on you and your family; however, for those who are able to do so, please do. Your parish is depending on you.

Many are suffering financially due to this pandemic. In times of need, people turn to the Church for help, and if we come together, we can try to assist those in need. If you are able to make a donation to the Coronavirus Emergency Fund, please consider doing so now. As Sister Faustina, the Apostle of Divine Mercy, insisted, “Now is the time for mercy.”

It is my hope that you continue to visit our website, www.miamiarch.org, for up-to-date information, live-streaming of liturgies, and other resources.

You and your families are in my prayers. God bless you.

Sincerely yours in Christ,
Most Reverend Thomas G. Wenski
Archbishop of Miami
A nurse was late and driving fast to the hospital which was some ten miles away. She was late because one of her two children was fussing, and didn’t want her to leave. A few tears ran down her face as she thought of her family. Suddenly, she heard a siren, looked into her mirror and saw the flashing lights. It was the State Police. She slowly pulled over to the side of the road. The Officer got out of his car and walked over to her. The nurse fingered the rosary bead hanging from her rearview mirror and asked Mary for help.

When she lowered her window, the Officer noticed she was dressed in scrubs. She said to him, “I’m sorry I was rushing. I was trying to be on time at the hospital. We have so many sick patients with the Coronavirus.” The officer said to her, “Just a moment” and walked back to his car.

When the Officer returned to her car, he opened up his pad and instead of writing a ticket, he handed her 2 high-grade masks issued to him for his own protection, and a holy card with a picture of the Blessed Mother. He said, “I know you can use the masks, and pray to the Blessed Mother to help you, your family, and the patients you serve.” He began walking away, then turned, waved goodbye with a smile.

As the nurse drove away, she looked at her dashboard . . . it was May 1, 2020. She thought to herself . . . “May is the month devoted to Mary”, and a good time to get close to the Mother of God. Mary was closer to Christ than anyone else. After all, it was Jesus who chose her for the great honor of being His mother. She slowly began saying the “Hail Mary”.

When the nurse got to the hospital, she told all her friends what happened, and off she went on rounds. It so happened that the holy card accidentally fell to the floor. As she picked it up, she noticed that the Officer had written something on the bottom of the card . . . . .

“Mary is the Answer” . . . and . . . “Don’t Drive too Fast”
